MANCHESTER EAR HOSPITAL.

ANNUAL REPORT, 1936/37.

During the past year your Committee has to record the completion of the arrangements for utilising the additional space available at the Hospital, owing to the taking over of the new Nurses' Hostel referred to in the last Annual Report. The seven additional beds have been provided, and the extent of the increased service—mainly on behalf of children—may be noted in the increase in the number of in-patients attended to during the year. These new arrangements have, naturally, involved the Hospital in additional expense.

The disappointing result of the recent public appeal for funds has been a source of great anxiety to your Board, especially as the demands now made upon Hospitals and their Staffs, make increasing claims upon the services of those responsible for their management.

The concern felt by your Board in connection with the financial position, only serves to heighten their appreciation of the generous support actually given by many contributors, and they wish to record their most grateful thanks to all who have responded to their appeal, as well as to those who have made special efforts on behalf of the funds, or have increased the amount of their annual contributions, or grants-in-aid. Further reference to finance is made later in this report.

The number of patients treated, and their attendance, is indicated as follows:—

OUT-PATIENT DEPARTMENT.

The number of new out-patients has been 5,721 as against 6,072 last year. The total attendances on new and former patients has been 18,982 against 20,002 last year

IN-PATIENT DEPARTMENT.

The number of in-patients has been 871 against 515 last year. The number of operations performed has been 1,401 against 1,454 last year (see Medical Report, page 7).

Your Committee again have pleasure in recording their most grateful thanks to the Hon. Medical and Surgical Staff for their indispensable services on behalf of the patients, and also wish to express cordial appreciation of the services of the House Surgeons, Anæsthetists, and Pathologist in connection with the Hon. Staff.

Thanks are also tendered to Dr. W. Eric Hunter for generous assistance given when additional help has been needed at the Hospital.

Cordial acknowledgment is also made of the devoted care given by the Matron and Nursing Staff to the needs of the patients.

Letters are frequently received from patients expressing thanks for treatment and for the kindness they have received at the hands of the Matron and Nursing Staff.

Thanks are given to the lady members of the Committee who have again carried out their work of weekly visitation to the Hospital during the year, to confer with the Matron on domestic and other matters of administration.

Your Committee has again been represented at various conferences called to consider matters relating to the common interests of the local Hospitals, etc.

The best thanks of the Committee are given to Messrs. Bowman and Henshaw, Chartered Accountants, for their services in acting as Honorary Auditors.

Cordial acknowledgment is also made to Alderman J. C. Grime for providing and maintaining, throughout the past year, a special appeal poster on the outside of the Hospital building.

FINANCE.

Appeal was made last year for funds towards:

- (a) the cost of alterations at the new Nurses' Hostel, and the provision of increased accommodation at the Hospital.
- (b) the additional **annual** cost involved.
- (c) reduction of bank overdraft of £3,000.

Taking the past two years, the total cost of the alterations and of the printing and issue of the public appeal, has been £910—towards which a total sum of £761 has been received—so that the Hospital is still faced with a heavy bank overdraft of £3,000, and additional annual expenditure of some £500. Having regard to the additional beds now provided, your Committee is again obliged to press the claims of the Hospital to enable its work to be efficiently continued and they venture to suggest to all who responded to the public appeal, the consideration of some annual renewal of support.

Grateful acknowledgment is made to the following friends who have made special efforts on behalf of the funds:—

MEDICAL REPORT.

The Medical Board has again to report that the services of the Hospital have been well maintained during the past year. The numbers of patients attending the out-patient department closely correspond to those of the last few years. The numbers of patients admitted to the Hospital show a large increase, eight hundred and seventy-one this year, as compared with five hundred and fifteen last year. This is explained largely by the fact that all children to be operated upon for removal of tonsils and adenoids are now admitted to the Hospital for one or more days.

The actual total number of operations performed during the year closely corresponds to that of previous years.

The Medical Board welcomes the addition of the side-room to the Men's Ward. This has filled a long-felt want, and is very much appreciated.

Two additional anæsthetists, Dr. Pinson and Dr. Marson, have been appointed to the Staff and a cordial welcome is given to them.

The Medical Board wishes to record its appreciation of the help given by the Committee of Management during the past year.

4. The Annual Meeting shall be holden on some day after December, to be determined by the General Committee; but the General Committee shall have the power of calling a Special General Meeting upon giving at least six days' notice by advertisement in two or more Manchester papers; and the Secretary shall at any time, on the written requisition of not less than five subscribers, summon a Special General Meeting for the purpose to be stated in such requisition, by giving the like notice, and at these meetings eight shall be a quorum.

5. At the Annual General Meeting a President, Vice-President, a Treasurer, and an Honorary Secretary shall be elected, and a General Committee appointed, consisting of the above-named officers, the medical officers, and ten or more subscribers.

6. The power of making and repealing rules shall be vested only in the Annual Meeting.

7. The General Committee shall consist of not less than ten members, elected from the body of the subscribers, and the honorary medical officers shall be *ex-officio* members of the General Committee.

8. The General Committee shall control, manage, and superintend the affairs of the Hospital and have power to appoint and on occasion to dismiss or suspend all or any persons required to conduct the business of the Charity, except the honorary medical officers, who can only be displaced at the Annual Meeting.

9. The General Committee shall appoint a House Committee.

10. The General Committee shall meet at least once every month (three to form a quorum) for the transaction of business, to receive the monthly general and numerical reports of the House Committee and Medical Staff, to regulate the accounts, and to take cognizance of the general state and working of the Charity.

At such meetings the Committee shall be entitled to make and alter bye-laws for the government of the Charity, provided that such bye-laws be not contrary to the rules of the Hospital.

At such meetings no resolution shall be taken on any subject outside routine business, unless notice of such subject shall have been given in convening the meeting.

11. The Medical Staff shall consist of one or more Consulting Physicians and Surgeons, and two or more Honorary Surgeons, and one or more Honorary Assistant Surgeons, together with a qualified practitioner as Anæsthetist; and when a member of the staff has fulfilled the duties of Surgeon during the period of fifteen years he shall, on retirement only, be entitled to become, at his own option, Consulting Surgeon, or he may previously be so appointed by the General Committee on the recommendation of the Medical Committee.

12. The Medical Committee shall consist of the Honorary Medical Officers for the time being and shall meet at least once every month, at some convenient time previous to the meeting of the General Committee, to draw up its monthly general and numerical reports, and to concert measures for its united action; the minutes of its proceedings shall be regularly kept and presented to the monthly meeting of the General Committee; and for the annual general meeting it shall furnish reports and yearly statistical returns, both from the Hospital and Dispensary. The Medical Board shall at its first meeting in each year elect a chairman, who at its meetings shall, if the votes be equal, have a second or casting vote.

The Chairman of the Medical Board shall draft the Annual Medical Report and submit the same for adoption to the Medical Board before presenting the same to the General Committee.

13. The Consulting Physicians shall be Fellows or Members of one of the Royal Colleges of Physicians of Great Britain, or Medical graduates of a British University.

14. The Consulting Surgeons, Surgeons, and Assistant Surgeons shall be on the Medical Register, and possess a diploma of one of the Royal Colleges of Surgeons of England, Edinburgh, or Dublin, or be a graduate of a British University.

15. One member of the Medical Staff shall be, as may be from time to time arranged by the Medical Committee, the Acting Surgeon of the day, for one or more days per week.

16. The Assistant Surgeons, in the absence of the Surgeons, shall take the duties of the day, as arranged by the Medical Committee.

17. A House Surgeon shall be appointed from time to time to assist the Surgeons and Assistant Surgeons, and perform such duties as may be assigned to him by the Medical Committee.

18. All candidates for election as members of the Medical Staff shall be required to forward their testimonials to the Honorary Secretary at least fourteen days before the day of election, to be examined and reported on by the Medical Committee.

19. When any vacancy shall happen in the office of Surgeon or Assistant Surgeon, Anæsthetist or House Surgeon, no election shall take place to fill such vacancy until notice shall have been given by the General Committee by advertisement in two medical papers and one local paper, twenty-one days at least previous to such election.

20. The appointment of Matron and Dispenser shall be made by the General Committee after a report from a joint Sub-Committee of the Medical Board and the General Committee, and be subject to regulations drawn up by the Medical Board and approved by the General Committee.

21. The accounts of the Hospital up to the 31st December in each year shall be examined by Auditors, to be appointed by the General Committee; and such accounts, signed by the Auditors, together with a report of the number of patients admitted and discharged within the year, shall be produced at the Annual General Meeting.

22.—All subscriptions for the current year shall be deemed to become due on every first day of January, and all new subscriptions shall be considered as taking place on that day and ending on the ensuing 31st of December.

23. No recommendation shall be required.

THE PATIENTS.

24. Every in-patient able to pay towards his or her maintenance is expected to contribute at such weekly rate as may be fixed from time to time by the General Committee, and no less sum can be received, unless on satisfactory evidence that the patient's means justify reduction or remission.

25. Patients applying to the Hospital, but who are found not to be suitable objects of charity, shall, if treated at the Hospital for reasons of urgency, be considered to be private patients of the Surgeon of the day.

26. The circumstances and means of patients about whom there may be doubt as to whether they are suitable persons for the objects of this Charity, shall be investigated by the Secretary and no member of the Medical Staff shall refuse to attend any patient until the case has been investigated and dealt with by the Committee.

27. Each patient on admission as an in-patient shall be required to sign an agreement to conform to such rules as apply to them during their stay in the Hospital.

28. The Hospital shall be open every Monday, Tuesday, Wednesday and Friday from 9 a.m. to 10 a.m., or at such other times as may be appointed for the reception of patients.

29.—The following regulations shall be observed by the staff of this Hospital, and such regulations shall be subject to alteration from time to time by the General Committee.

N.B.—A copy of these regulations can be obtained by any subscriber on application to the Secretary.

Annual Meeting.

The Annual Meeting was held at the Hospital on Tuesday, November 23rd, 1937, at 3 p.m.

Sir Christopher Needham, D.L., the President, occupied the chair. There were also present, Mr. G. E. Archer, M.B., D.L.O., F.R.C.S.E., Mr. E. O. Schneider (Chairman of the Board), Mr. Reginald S. Milford (Hon. Secretary), Mr. W. A. C. Leaf (Hon. Treasurer), Miss Needham, Mrs. McGuire, Mr. H. T. Metcalfe (Manchester and Salford Medical Charities Fund), Mr. A. M. Henshaw, A.C.A. (Bowman & Henshaw, Hon. Auditors), Captain T. Spencer, J.P. (Manchester and Salford Medical Charities Fund), Mr. G. St. Clair Robertson, Mrs. Smith, and others.

Apologies for absence had been received from Mr. E. Acaster, Mr. Nathan Laski, J.P., Mrs. Crosfield Pearson, Mrs. Chas. Melland and Mrs. Statham.

The Annual Report and Statement of Accounts were distributed. The Medical Report (see page 7) was read by Mr. Archer.

Before the commencement of the formal business, Sir Christopher Needham and Mr. E. O. Schneider paid appropriate tribute to the memory of Miss James, the former Matron.

The President moved the adoption of the Annual Reports and Statement of Accounts, and also the necessary alteration of the rules, to alter the title of the Hospital to read "Manchester Ear Hospital, for Diseases of the Ear, Nose and Throat" and to provide that the current financial period shall be for 15 months, so that the Hospital year shall terminate in future on December 31st. (See statement "Alteration of Rules," page 32.)

The President said that the alterations recently made had been essential, but the accounts were not quite as flourishing as they should be, as the result of the appeal had been less than expected, but the Committee were determined to explore every possible avenue to get rid of the overdraft of £3,000. The number of attendances on patients, 19,000, was really an amazing figure, and he noted from the reports, the increase in the number of In-patients to 871 against 515 last year. This was chiefly due to the fact that no T. & A. cases (mainly children) were now sent home on the day of operation, which was a step forward much to the benefit of the children.

He was again impressed by the wide area of service covered by the Hospital's work, and noted that patients came from as far south

as Yeovil and Southampton, and north from Millom and Barrow-in-Furness.

It was, no doubt, a compliment to the reputation of the Hospital, but it added to the work, and Sir Christopher pointed out that the Hospital got little or no compensation for the services it rendered to many patients who came for treatment from districts far removed from Manchester.

We were doing all that we could to maintain the high reputation of the Hospital, due to the Medical and Surgical Staff, the quality of whose service was of the very highest character.

In conclusion, he appealed to the Press to emphasise the financial needs of this special Hospital, and to the public for additional support.

Mr. E. O. Schneider, in seconding the motion, emphasised the disappointment felt by the Board at the poor result of their public appeal for funds. The work of the Hospital must go forward, and the Board would do its utmost with a view to obtaining additional support.

The motion was carried.

Mr. H. T. Metcalfe moved thanks to the Hon. Officers and members of the Board, and the appointment for the current period of those named on page 1.

Captain T. Spencer, Secretary of the Medical Charities Fund, in seconding the motion, pointed out that the expenditure of the Hospital last year had exceeded its income by over 25 per cent. and that a large proportion of that increase was probably due to the cost of unrequited services on behalf of patients from out districts. He had calculated that during the last sixteen years the voluntary hospitals of the two cities have lost about £750,000 through unrequited service of this kind. Moreover the annual drain is increasing every year; the net loss for 1936 was £68,000.

The motion was carried.

Mr. R. S. Milford moved thanks to the Hon. Medical and Surgical Staff. He said it was not easy to find words which *could* express the very great appreciation—which they all felt—for the devoted and indispensable services so freely given by those responsible for the Medical and Surgical services. *Their* work was the essential element without which all the rest would cease.

Mr. W. A. C. Leaf briefly seconded the motion, which was carried.

Mr. G. St. Clair Robertson, in moving thanks to Sir Christopher Needham for presiding, said that our President seemed to throw new light on the work of the Hospital, and to bring new interest in its welfare, at each successive annual meeting. They were greatly indebted to the President for continuing to act as such in view of his many other active public interests, but could assure him that his personal association with the Hospital added greatly to its influence.

Mr. G. E. Archer seconded in cordially appreciative terms.

The motion was carried by acclamation.

ALTERATION OF RULES.

Amendment of Rules passed at the Annual Meeting on November 23rd, 1937.

Rule 1.—Insert after the words “Manchester Ear Hospital” the words “for Diseases of the Ear, Nose and Throat.”

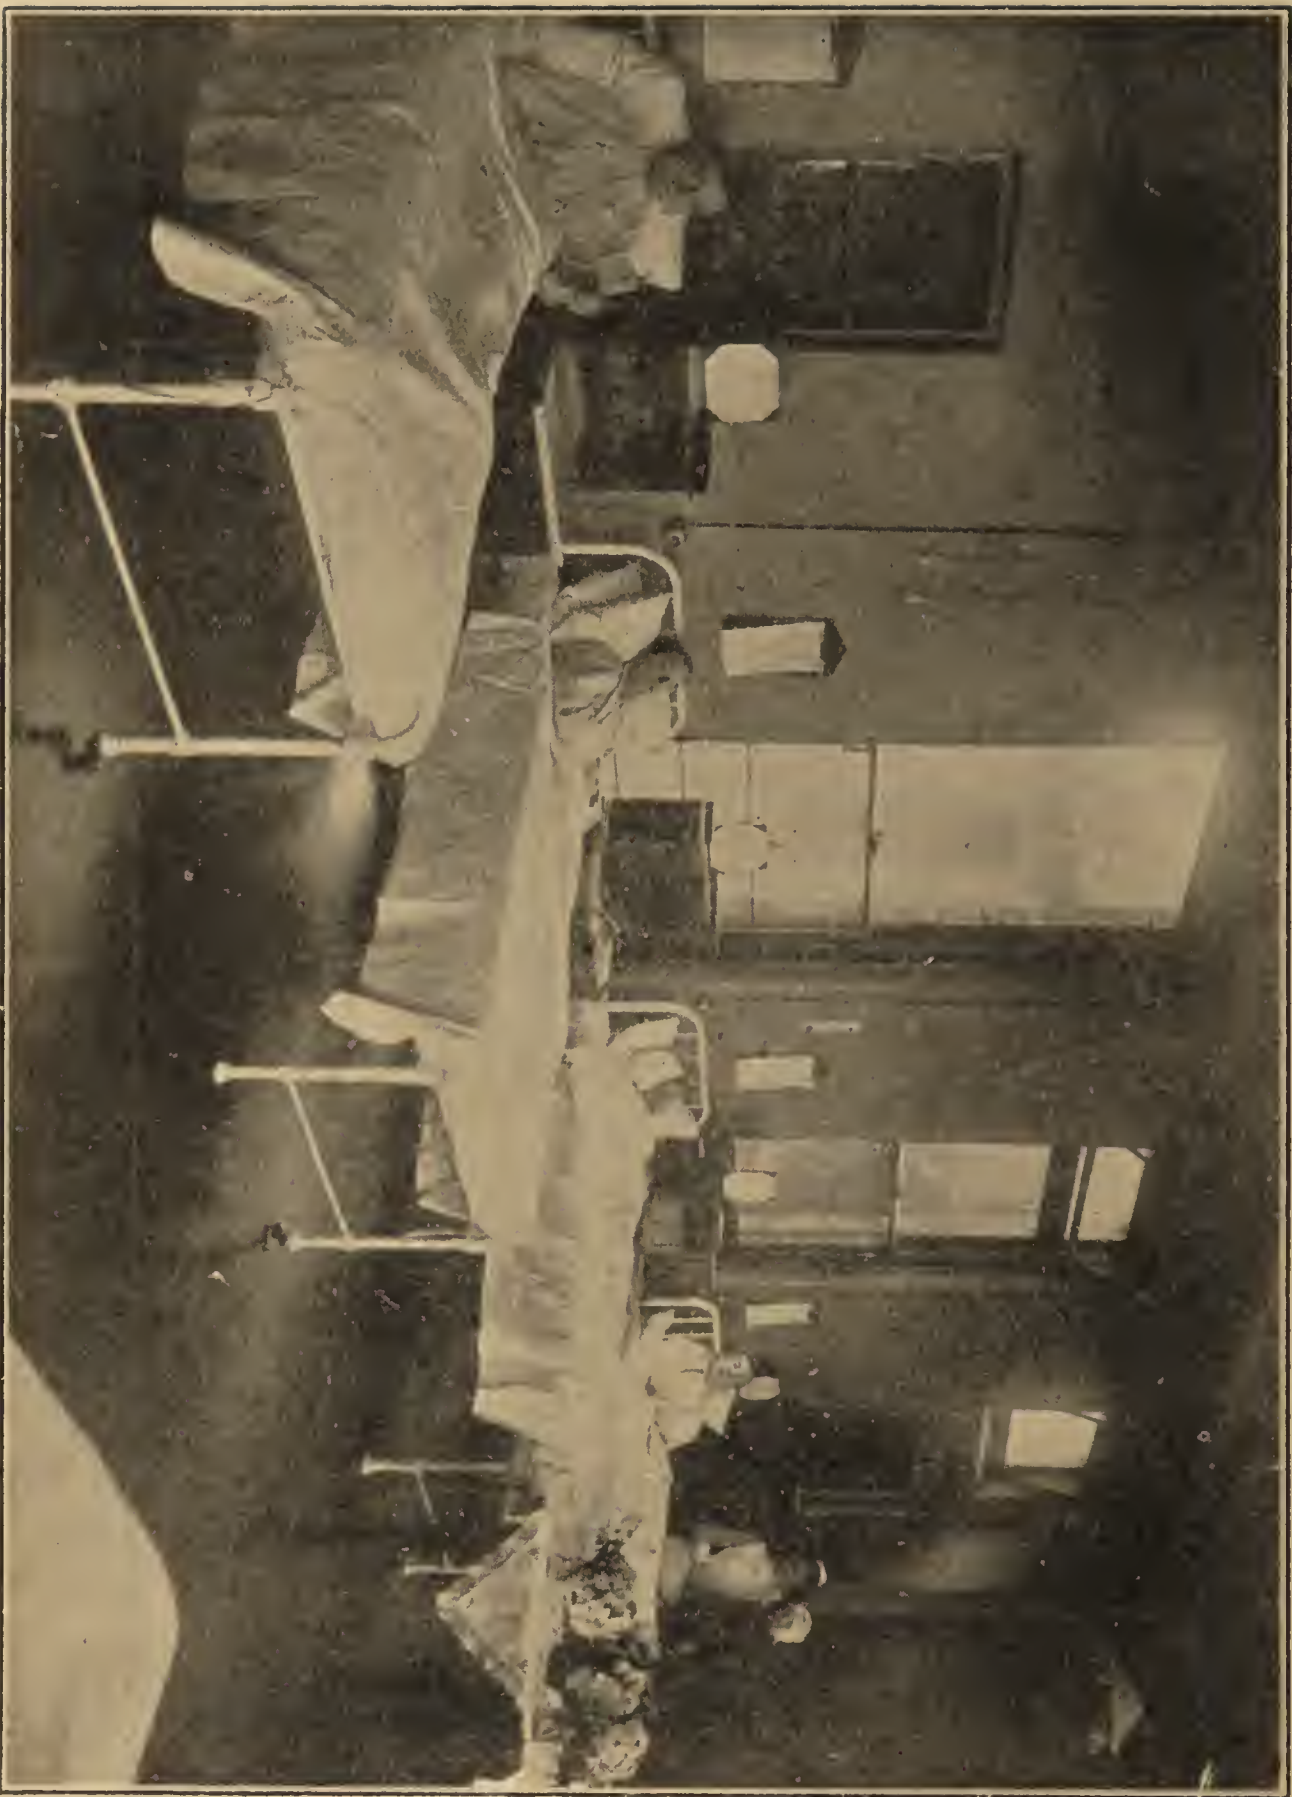

Rule 4.—Substitute the word “December” for “September.”

Rule 21.—Substitute the words “31st December” for “30th September.”

Rule 22.—Substitute “January” for “October” and “31st of December” for “30th of September.”

Form of Bequest by Will to the Manchester Ear Hospital.

I bequeath to the Manchester Ear Hospital (late the Manchester Institution for Diseases of the Ear), Grosvenor Square, All Saints', Oxford Road, Manchester, the sum of.....pounds, free of duty, to be paid, together with the duty thereon, out of such part of my estate as can be lawfully bequeathed for charitable purposes, and to be applicable for the general purposes of such Hospital. And I declare that the receipt of the Treasurer or other proper officer for the time being of such Hospital shall be a sufficient discharge for the same.
